“ To the family of Dolly,
My condolences, and prayers to all of you. What a bright light she was!
I worked for Dolly for many years and she was a wonderful mentor to me. I think of her often, because of the impact she had on me. I've made it a point to pay it forward by encouraging and connecting talented women as they climb the ladder in their careers. She will be missed by many, I'm certain your hearts are aching at losing such an amazing woman.

God Bless,

“ I was fortunate to have met " Dolly" a number of years ago, and again just a few years ago, and remember the stories my Father told me about his shopping at Libson's for Mom each year....Rupert, JJ and even myself as just married, thought this was a tradition to go by and see "Dolly", who knew exactly what our wives wanted. Thank you for the memories. Tom and Mary Meyer and Family .

“ Twice a year, my sister and I would go with my mother to Lisbon on Main Street in downtown Cape Girardeau for our seasonal clothes. Whether it was back to school shopping for fall, or spring and summer collections, Miss Dolly was there to show us the latest fashion of the 1970's. Dolly was always dressed smart, from head to toe. And she zipped around that shop, buzzing while retrieving sizes and styles to fit each one of us. She was always so beautiful and kind, and I will never forget her. Blessings to you, Miss Dolly, and your loving family. ❤️

I remember my mom taking me shopping at Libson's. Those were the grand days when a person actually received customer service at clothing stores. Dolly would check on us in the dressing rooms, bring different sizes, make suggestions. My mom really liked her. She was a smart, classy lady who made the world a better place.
