“ Please accept my deepest sympathies. I worked with Virginia at Dr. Palen's office. She also gave me a Christmas tree one year (don't know if you remember that or not). I was completely shocked to read of her passing. She was a very genuine person and will be missed by many. You and your son are in my thoughts and prayers.

“ *Papa Todd, I am so truly sorry that this has happened. I'm not going to say I know what you're going through because although I loss Troy in the same very sudden way me and Troy were not together as long as you and Momma Todd so I'm just going to say I can relate to how you are feeling so if you ever want to talk I'm here. Although she's not here on earth she will always be with you in your heart!!! Love you! Nicky, I have no idea what you're going through as far as losing a parent goes but know that if you want to talk I'm here. Although none of this makes sense it did happend for a reason ...your mom's work here on earth was done and she was needed by a higher power ...she will forever be with you. Love you Nicky!!!*
