“ Linda and Patti, Your mother was my mentor way back before the term was ever used. She was an outstanding teacher, both to me and her first graders. Even though the building we shared together is gone, the memories remain. God bless you and your families.

“ *Patti, Linda, and families: Rebecca and I express our deepest sympathy to all of you in the loss of your mother. We had some good years at the Alton Elementary School. Patti, you are still remembered as a very good English student in my first year of teaching at Alton High School. May all of you find comfort in all the good times you had. Your mother loved her family dearly and you need to hold on to those precious memories. Wendell P. and Rebecca Williams*
