“ I am sorry to hear about the passing of Walter. I worked with him at Horton Sales and he truly was an exceptional man. I can still see him with his pipe in his mouth. He sometimes had a gruff exterior, but was a teddy bear at heart. I learned how to say Briggs part number 3 digits at a time. And we still use a Roof mower he said we should buy -- he was right. Even after I no longer worked there, whenever I saw him, he would always talk and ask about my family. I am sure you will miss him dearly, but he is now with his Heavenly Father. I was not able to come to the visitation or funeral, but I wanted you to know I was thinking of your family and remembering Walter. Barbara Gholson
