“Walt was a very good friend of mine. We had bowled together and went to basketball games. I would give him rides to various places over the years. He was a very good man and he will be missed by me and many others for the rest of our lives.

“I'll always remember Walt with a cigar in the old bowling alley in Cape as my brother and I grew up there. After leagues, he'd walk home, except for the rare times he'd accept a ride when the weather was bad. He was such a nice man, soft spoken and always among friends.
