“ Today upon hearing of your mother's passing, I have spent the afternoon remembering all of the weddings and funerals where we performed together. Wanda was always a dear friend. In more recent years I would pick her up and take her to the Senior Center. I have really missed her. Love, Helen Ueleke

My memories are of your mom singing solos at church through the years. What a beautiful voice and how pretty she was. I also remember as a little girl going to the meat market where I always enjoyed talking to both of your folks. Our families have always had a special connection through Grace and music. Mom and I both wish we could have come to visitation this evening and her service tomorrow. You all really took good care of your mom and she's singing once again. With love and prayers for you, Norma Jean Ueleke Engelhardt

“ I will not be able to be there in person, but I wanted the family to know I thought a great deal of Wanda. She trusted a 16 year old to drive her to and from choir practice on a weekly basis to Grace United Methodist Church. She never once grabbed on to a dash or shuttered...brave woman indeed. Wanda and I sang together for many years, she was a wonderful talent. I will always carry her laugh and lovely voice with me.

My deepest sympathy,
