“ As a former neighbor, it is with much sadness that I pass on my condolences to the Family on the passing of Wanda. For 7 or 8 years Wanda and Audrey were my neighbors on Prestowod Trails. They were very respected because they earned it by being kind and considerate to all. They loved each other immensely and showed it. They shared their love of their home and street by walks around the lake every day. Like me, they also enjoyed the geese and turtles. When your dad and myself were out mowing our yards we would always turn off our mowers and chat about everything from Kansas to Kodak. He was all class. Wanda loved her daughters and grandkids and always had an update about them. Memories of your mom will live forever. Enjoy the memories.
