I would like to send you my deepest sympathies. Your mom was a sweet beautiful woman and I was also honored to know her and take care of her. Rick you are a wonderful son. I know your dad would be proud of you.

“ *So sorry for your loss it was a honor to take care of momma she always made me smile she was special to me. Now she is in no more pain and now she is laughing and dancing with the angels. I remember every time you came in to see her. Her eyes would light up and smile so big. You were so good to her and I wish all mothers had a loving and caring son as you were she may not be here on earth but just look in your heart and she will always be there.*
