“ We are going to miss you JoJo!! Its hard to say goodbye to someone you love, although they're safe wit Jesus up above! Don't let your selves forget, we each have numbered days. For reasons that we do not know. God wanted it this way. Tears was away the pain, but it can't remove the love. The memories live forever safe in God's hands above. So today we give thanks for the lives we change to share. No matter if they're short or long, God always will be there.

“ I took a trip to heaven But only in my mind I wanted to know what it's like To leave all you love behind. So I closed my eyes, and started to see Just how beautiful heaven can be. I could see the pearly gates of white and behind them was the most radiant light. I saw an angel as she was passing by so incredibly beautiful that a tear fell from my eye. Everyone looked perfect and with the angels they did sing There are no earthly words to describe the beauty of their wings. As I sat on a bench in the most incredible garden I asked God for all of my sins to be pardoned I took one last look at all of the beauty around And when I opened my eyes, it was peace that I found. you all are in our prayers wiseman family
