“ Matt: I am sorry to hear about your dad passing away. We both have many memories of him (and your mom) watching us play baseball (going back more than three decades...wow?!)and football together. He was one of the first coaches I ever had, and I learned a lot from him. I know countless others in the area can say the same. You and your family are in my thoughts and prayers. “ My condolences to the Boren family. Bill was a long time friend and teammate. He was a leader we could look to and respect. I was sorry to read where he had passed. A special prayer goes to Carol, his sister and my classmate. One by one they pass away, these brothers of our choosing.

“ I was so sadden to read about Bill's passing this morning. I can truthfully say he was my oldest friend, even though we had not seen each other in years. I can still remember my mom telling me about Bill's mom buying the outfit she brought me home from the hospital in. Also all the fun times we had when our families would get together. I still have pictures from a camping trip our families took when Bill and I were probably around 4 or 5. I am so sorry for your loss and you all will be in my prayers. He was a great person and will be so missed. Mary Jo
