“ *I have so many fawn memories of your parents! Wanda was like a mother to me. Bill and I would flip fir sodas and who lost had to buy. Most of the time I won and he would say"you have a two sided coin" you cheated! It was so funny! Wanda was so kind and loving to me. She set me straight a lot of time. Took me in and just made me feel loved. I worked for them 3 years till I got married, and she would ask me why I am marrying a former and I told her because I loved him and she said will he be able to give you what you deserve and I said yes and I and our Christmas party one year I took my husband and Wanda had to look at my gauge meant ring and when she how big it was she looked at Dennis and said you better take care of her and love her she she's like a daughter to me I will never forget your parents they mean the world to me and I'm so sorry it was gone you're in my thoughts and prayers Charles and your family God bless you*
