“ Bonnie and family, I'm sorry it was not possible for me to see you in person, but will always have fond memories of the time you lived "up the hill" on Green Acres. You and Bill were a good example of what a couple should be. I know you will miss Bill, and wish I could make your loss easier.

“ Oh this makes me so sad, but I know what he was suffering with and I'm happy to know he's at peace and in a much better place. Bill and Bonnie were like family to me. I spent so many summer weekends with them and my family at the lake. I'm just flooded with memories. He's with his old hunting buddy again. I bet Dad was so happy to see him. I hope they are having a wonderful reunion. My thoughts and prayers are with the family. Big hugs to Bonnie and Diane

“ I have many wonderful memories of Bill and Bonnie when we traveled to horseshoe pitching events around the country. He was a great player and gave me a lot of wisdom and insight about life as well as horseshoes. He will be greatly missed.
