“ As a SEMO grad and football player, Bill is one of the true Redhawk fans, but even a better person. He will be greatly missed by his family, friends and Redhawk Nation. RIP ol buddy, you’ve earned your wings by being a positive influence on many people, including myself. Thanks - Derek Kutz

“ Bill was one of the first people in Southeast Missouri to welcome and make me feel at "home" when I relocated to the area from the East Coast back in 2012.

He shared his local knowledge, network of friends/associates, and even his tailgate spot at SEMO football games with me, along with good conversation during Friday evening dinners we shared at the Jackson Elks.

I was once told that "God puts certain people in your life for a reason".

Bill was one of those people.

May he Rest in Peace !
