“ I grew up in Oak Ridge, Tennessee next door to a young friend of mine by the name of George Klobe. I remember they had Missouri ties. Is this George's dad? I would love to reconnect with George if possible.

“ Jane, Karen, Patrice, Julie and George, I worked with Dale in New Madrid for twelve years. He was a man of integrity and high morals who was totally dedicated to his wife and children. One of my favorite memories is being invited to your home for dinner with your family and “Aunt Pat” who was helping me with a program. Jane, you made the best wilted lettuce I had ever eaten. I enjoyed it so much that you sent Dale out to the garden to pick more lettuce and you made a second bowlful of wilted lettuce. I loved it!!! Dale enjoyed his garden and from time to time would share its bounty with me. Praying God wraps all of you in his comforting arms at this difficult time. Becky Teuber Jennings.

“ *Jane: We remember you and Dale fondly from dining together at the Senior Center. Dale never met a meal he didn't like! Dale's Faith was so strong that he was one of the very few who said Grace before the meal and openly crossed himself. We know Dale's Faith was a comfort in his hour of death. We send prayers and condolences to you and your family. Ken and Jennifer Lipps*
