“ Bill was like a second dad to me during my early teen years. I know God put him in my life for a special purpose and he did not miss his assignment. I will never forget his kindness, encouragement, and dedication to his family and his willingness to serve others. What a great model for a young man to follow. His influence will always be with me.

“ Mr. Bill was easily one of the most enjoyable people to spend time with, that I have ever been blessed to know! And Bill's love for the Lord and Mrs. Teri and his boys was legendary! Additionally, he had a huge servant's heart and poured out his time and skills to help others. Truly, I and so many folks, were blessed by God through him! Love, hugs and prayers for the family. So sorry that we won't be able to celebrate Bill's life with you, in person. God bless! The James Green family
