“ Best wishes to every one in the Shott family. Cape Girardeau will never be the same without the presence of Bill Shott; He was one of the first people my wife and I met when we moved to Cape Girardeau. He was friendly, smiling, gracious and kind to us. We lived across the street from them for many years and loved every member of their family. Bill was always friendly and kind to every member of our family -- and to our dogs! He had countless friends, but always made time to talk, share and laugh with us. Few men have ever possessed a bigger and more sincere smile than Bill Shott. He was the symbol of a happy and sincere man. Those who did not know Bill Shott have missed much. All who knew him will have an empty spot in their lives.

*Laurie,  
Prayers for you and your family during this difficult time. I remember us as 6th graders and the sleep over. When we got up your parents had scrambled eggs for us.

*Bill and Frankie were so kind and generous to us when Larry worked for Bill many years ago. Larry learned much about accounting from Bill. They were our neighbors for several years, and as a young couple we looked up to them. Our kids loved "dog sitting" with Noodle. One special memory is when the Schotts sent Santa Claus to our house after the birth of our son. Frankie, David and Laurie, we are thinking of you and share in your sorrow.
