“ Bill and Debbie served on the Wilmington (NC) Police Department with me. We continue to be family, all those who served, no matter how long it's been since we've seen each other. Bill was my training officer and friend. Playing golf, cards and getting together with others on A Platoon was a mainstay of my life and development as a young policeman. Debbie, know that we all are thinking of you and pray for your strength during this difficult time. Love you Sister -

“ I have seen Bill as a pt. In physical therapy over several years and always enjoyed his appt. Times since I knew he would make me laugh and if nothing else, learned about his life, always speaking of his wife and at one point, how excited they were to go on a cruise for their anniversary!! Always had a plan to all get together for margaritas! Unfortunately it never happened. Rest in peace Bill. Will miss hearing that deep voice and seeing that smile!!!

“ I’ve known Bill for the last three years and enjoyed every minute I was with him.

We met on the golf course and together with Doyle Privett and Bud Hunt we played literally every golf course in the area. Even though he played from the wrong side of the golf ball (lefty:-)) we had great fun and very much enjoyed Bill’s company.

I will miss Bill and want to offer my deepest sympathies to his family.

“ Capt Tucker was a good man. I worked with him for about 3 years at SEMO in the Air Force ROTC program. He was always nice to me. SEMO didn’t recognize Veterans Day and he would give me the day off. He would say “this day is for guys like us . . . veterans”. Capt Tucker touched alot of lives in mentoring young students in their development to become Air Force officers. Sorry for your loss Deborah.
