In 1968, Don graduated from Murray State University with a degree in agriculture. Shortly after, he taught Biology at Caldwell County High School in Princeton, KY. In 1972 he and Sharon moved to Cape Girardeau, MO where they welcomed their daughter, Donna, and where they remained and were active in many outdoor excursions usually involving hunting or shooting sports.

Survivors include a daughter, Donna (Craig) Greco of Hamilton, Virginia; a brother, Jackie (Paula) Vied of Woodbury Tennessee; and two grandchildren.

He was preceded in death by his brother Tommy, his wife, and parents.

“ Dear Donna, we were so very sorry to learn of your father's death. Van used to hunt with Don in Fredonia. I did not know Don very well but have heard many stories; also farming stories about Van working for Don's father. When he left his teaching job in Caldwell County, I was offered the position teaching biology. Don will be missed. Our thoughts, our prayers are with all of you. You have a wonderful extended family for support. Van and Marjorie Yandell
