“ *Madelen and family, I am so sorry to hear of your moms passing. I remember living next door to you all when I was little and your mom made me an apron for kindergarten. My mom (Tubby) and I ran into her several times thru the years and enjoyed catching up with her. I don't think I have seen her since my mom passed away, but she sent me a sweet card when my brother Steve died. Please know you are all in my thoughts and prayers.*
