“ I was Mrs. Kinder's housekeeper and personal friend at Chateau Girardeau for almost 5 years. She has touched my heart more than she ever knew. Whenever I could take time from my work at Chateau I would visit Mrs. Kinder. She was such an amazing woman who touched my life and the life of others. She always made me feel special and when I was promoted from her housekeeper to other departments she told me that she knew I would go far and that she was so proud of me. My heart is heavy today when I found out that Mrs. Kinder is no longer with us but I know she is in Heaven now with her husband(s) and her other family she had loss. Her family are in my thoughts and prayers and I just wanted to let you know that Mrs. Kinder meant so much to me.

“ The pain of losing someone as special as a mother can be overwhelming; I too know that pain. May your family find comfort as I have in knowing that our loving heavenly Father promises us that very soon he will 'wipe out every tear from our eyes, and death will be no more.' (Revelation 21:4) What a wonderful day that will be!

“ My heartfelt condolences are with you all as you mourn the earthly lose of Ms. Wilma. I am honored to have been able to call her my friend while supervising the food service at Chateau from 2004-2011. She was always quick with a smile and a hug. Always curious about my girls. Thank you for sharing her with me. God bless you all. Beth
